Energy Management Workshop

With the Year of the Ox soon upon us, energy at home and the office are shifting. To more easily manifest your wishes - abundance, love, good health, better relationships and more - this workshop offers practical steps to improve the energy in your space using simple energy management techniques and crystals.

Join spiritual energy coach Rebecca Howe and wellness coach and crystal healer Cristina Rodenbeck to learn quick and easy steps to improve your environment by using crystals and simple energy management techniques.

In this workshop you'll receive a home astrology map for the Year of the Ox 2021 and discover tips to:

- Banish sickness
- Optimise wealth
- Attract love and good relationships
- Set up work space for best energy and luck
- Release and clear space before Chinese New Year
